## FROM YOUR UNION

Bobcat has made the unfortunate decision to lay-off thousands of workers for 3 weeks from August 19 through September 8. This layoff will take place at ALL North American Facilities:

- Johnson Creek, WI
- Statesville, NC
- Litchfield, MN
- Wahpeton, ND
- Gwinner, ND -USW Local 560
- Rogers, MN - USW Local 9011
- Bismarck, ND - USW Local 566

We want to reassure you that, **as union members, you have additional resources.**

Your union is negotiating with the company how this will be managed. We are actively seeking all relevant financial information to prevent future layoffs and protect your job.

Your union dues are deducted from your payroll and as soon as you stop receiving pay, you will not have any dues deducted.

As a member of a union family, you are not alone. We are a united force, and together we will support each other through this challenging time. Stay tuned for more info and resources.
