To: USW Local Union Presidents and Recording Secretaries in the U.S. Public Sector

Greetings:

We are pleased to announce a Public Sector Conference to be held in Pittsburgh, PA, December 3 - 4, 2024. This conference is dedicated to our Public Sector Workers.

Our theme for this year's conference is **"Stronger Together!"**. Our solidarity in the public sector is a cornerstone of strength, fostering a collective voice that resonates through the halls of power. USW public sector workers are more politically active and civically engaged than their non-unionized counterparts, participating in activities like voting, community service, and contacting public officials. Our engagement is not just about numbers; it's about the shared commitment to improving working conditions, securing fair wages, and ensuring a democratic voice in the workplace. The unity of USW public sector workers amplifies our influence, enabling us to advocate effectively for social and economic justice. Moreover, states have recognized the importance of this collective strength, enacting legislation to bolster the ability of workers to join unions and engage in collective bargaining. Such measures not only empower workers, but also contribute to building stronger, more equitable communities.

Schedule

Conference registration will take place on Monday, December 2nd, from 2:00 p.m. to 7:00 p.m., and the morning of Tuesday, December 3rd from 6:30 a.m. to 8:00 a.m., prior to the opening of the conference.

The conference will take place over 2 days, consisting of workshops and plenary sessions. An evening reception will be held on Tuesday, December, 3rd.
