

2024 CIVIL AND HUMAN RIGHTS CONFERENCE

USW Local Union Presidents and Recording Secretaries:

The International Union is bringing the 19th International Civil & Human Rights Conference to the Detroit Marriott at the Renaissance Center in Detroit, Michigan from June 9-12, 2024.

We have witnessed historic events over the last five years that further the fight for civil and human rights, as well as events that set us back. We have a lot to discuss, and we have a lot of work to do. We will use our time together in Detroit to plan our work in the fight for dignity and respect for everyone, and seek a renewed commitment to work that plan with our conference theme –

“I’ve Got the Movement in Me”. Each of us is already empowered with the tools to help create a more just and equitable world, so everyone – every Union member - is encouraged to meet us in Detroit so that we can get *moving*.
