

ACTION CALL

January 14, 2025

You Have the Power to Defeat Right-to-Work in New Hampshire!

Last week, we shared important information about [House Bill 238-FN](https://www.usw.to/57c) (usw.to/57c), the latest attempt to pass a "Right-to-Work" law in New Hampshire. Now, it's time to take action. On January 22, 2025, the New Hampshire House Labor Committee will hold a public hearing on this harmful bill. We must stand together, make our voices heard, and oppose this attack on workers' rights. Whether you live in New Hampshire or live in a surrounding state, let's show that New Hampshire will not let corporate interests undermine the power of working families.

You Can Take Action in Two Powerful Ways!

#1: Attend Labor Rally and Public Hearing!

WHEN: Wednesday, January 22, 2025 at 8:30 AM

WHERE: 33 North State Street, Concord, NH 03301

NOTES: The rally will be held outside. For updates regarding the rally, please visit the [Facebook Event Page](#) (usw.to/57k). Following the rally, the group will go to the public hearing together.
