Local Forming Communication & Action Team to Prepare for Contract Negotiations

May 31, 2023 - Our Local Union is forming a Communication and Action Team (CAT) to share information, get feedback from our members and plan solidarity activities.

CAT Members will get information from the Bargaining Committee and make sure it reaches all of our members. They will also take your feedback and questions back to the Bargaining Committee.

CAT Members serve as a link between our Local Union Leaders and our Members. Through the CAT we will aim to share important updates about bargaining and Local Union activities.

The CAT is made up of volunteers who want to help build solidarity in our Local Union. Most CAT activities will happen at work. If you're interested in getting involved, contact your union leadership or the CAT member in your area.

Cat Coordinator - Linda Pritchett					
Dept	6a-6p	6p-6a	7am-330pm	9 am-5 pm	4pm-8pm
