

Make Your Call for the June 3 National Call-In Day

Trade policies adopted under Fast Track have cost us millions of jobs. As our Representatives return to D.C., we want to welcome them with a stark reminder of where we need them to stand. Steelworkers and our allies from across the nation will be participating in a national call-in day on Wednesday, June 3. This needs to be a big effort to send a strong signal. Call your Representative and tell him or her to **Oppose Fast Track!**

Make sure that your local is ready to participate:
