

UNITED STEELWORKERS TOWN HALL MEETING

The most important work we do as a union involves bargaining and enforcing good contracts to secure fair wages, dependable benefits, and safe working conditions. However, whether we like it or not, workplace health and safety, wage and overtime regulations, retirement security, even our right to organize and bargain collectively, are all tied to local, state, and federal laws and the people making them.

YOUR UNION YOUR VOICE

In 2020 and 2022, we launched Your Union Your Voice efforts to hear about the issues that matter most to you and share some of our union's work to impact government decisions. The feedback helped make sure your priorities were reflected in our union's work. This year, we're doing it again. Join in a town hall meeting to hear about the wins we've achieved and the work ahead. We'll also be asking you for your issue priorities once again.
