

ACTION CALL

January 27, 2025

Michigan Public Sector Workers: We Need Your Voice Now More than Ever.

This Wednesday, January 29, at 7:00 PM ET, the labor movement is hosting a critical town hall to discuss the alarming changes to public-sector workers' healthcare [caused by Speaker of the House Matt Hall's unconstitutional actions \(usw.to/57z\)](https://www.usw.to/57z). These changes could cost workers like you thousands of dollars a year.

We must act together to protect the healthcare benefits you've earned.

This town hall is your opportunity to get the latest updates from your union, learn what these changes mean for you and your family, and find out how we can fight back to stop these devastating policies.
